GUIDE TO ACCESSING SERVICES

CBD Homelessness Health Access Protocol

Inner North West
PRIMARY CARE PARTNERSHIP

Inner North West
PRIMARY CARE PARTNERSHIP

Introduction

This is your guide to source appropriate health services for clients. It aims to build better referral relationships, increasing communication and coordination of services between the community and health sectors and enhance referral practice.

This guide includes services available at various Melbourne central city organisations for people experiencing homelessness.

Contents

Support Services	3
Mental Health Services	8
Dental Services	12
General Health Services	14
Drug and Alcohol Services	22
Emergency Assistance – Hospital and Acute Needs	25

Published by the City of Melbourne, August 2008.

Updated by Inner North West Primary Care Partnership in August 2013.

This Protocol was developed in 2008 by Maureen Dawson-Smith, Live Work Relate, through the Moonee Valley Melbourne Primary Care Partnership Project, Homelessness and Primary Health Service Coordination in the Melbourne CBD with the support of the CBD Project Working Group.

This Project was funded by the City of Melbourne and the Department of Human Services (DHS), Primary Care Branch.
