

# ACHIEVEMENTS 2019

## ADVOCACY

**CONDUCTED** a state-wide **SURVEY** to gather data to support the advocacy efforts

**27**

PCPs participated in the survey

**DEVELOPED** key messages document and **INFOGRAPHIC** highlighting the value add and return on investment that PCPs deliver [Link](#)

**3** **DEVELOPED** **MEDIA RELEASES** regarding the future of PCPs

### Victorian Primary Care Partnerships Value add and return on investment

PCPs are a low cost platform delivering improved health and wellbeing outcomes to Victorians and exceptional value from the State Government's modest investment. Since July 2017, PCPs highly skilled workforce has delivered a wide range of achievements.

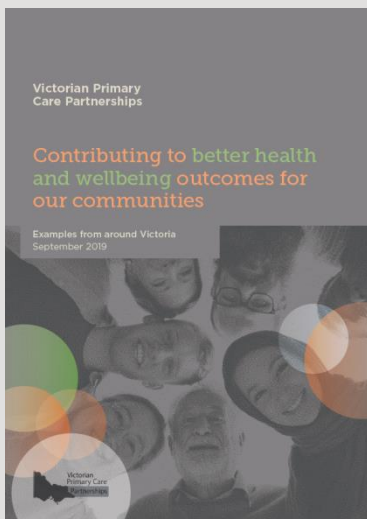

Take action today to support Primary Care Partnerships

#SecurePCPsFuture

**LAUNCHED #SecurePCPsFuture** advocacy campaign on VIC PCP [website](#) and established a working group
